**Purpose games from slides - Refere the Auditory Pathways, Auditory cortex and The brain slides below**

<https://www.purposegames.com/game/auditory-pathways-quiz>

## Auditory pathways

- Cross-lateralization
- Rough analyses (localization, loudness, noisiness, pitch...)

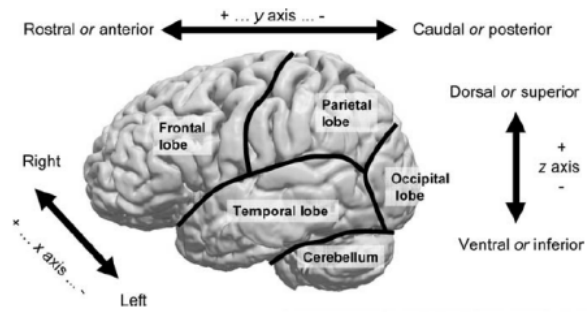

<https://www.purposegames.com/game/auditory-pathways-quiz>

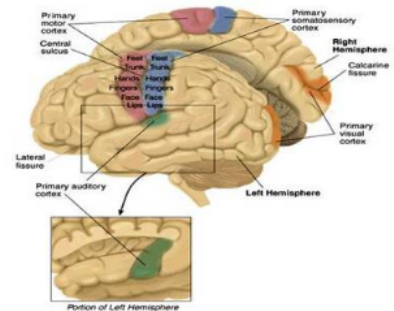

## The brain

- Hemispheres & lobes
- Lateralization
- Plasticity

<https://www.purposegames.com/game/auditory-pathways-quiz>

► Lateral View of the Left Side of a Human Brain

## Auditory cortex

- Temporal lobe
- Primary, secondary, and associative regions

<https://www.purposegames.com/game/auditory-pathways-quiz>
